a) Mountain Heritage Day

Ms. Harkins updated the Commission that they gave out 120 brochures. Mr. Core stated he felt like compared to last year we had something more to share and for people to take home with them. Ms. Harkins stated they had a good turn out and she saw several people come back to the tent with someone to show them where they went to school, or church. In addition, she stated they handed out around 35 coloring pages and the most popular buildings were the Jackson County Library and the Hooper House, and they received more interest in the Webster Rock School. The community also had interest in the Jarrett House and its status of when it would be opening again.

b) Sylva Art & Design Partnership Discussion

Ms. Pratt stated the Sylva Art & Design Council is making a big push to promote business owners. The CJ Harris building there may be a potential opportunity of restoring the Sylva Supply that is on the side of the building as part of their mural. Ms. Harkins stated she

should contact Bernadette Peters with the Sylva Main Street Association to see about that as it is not with the County but within the Town of Sylva.
