PRELIMINARY SLOPE ANALYSIS

According to our estimation, the slope of your property is _____.

_____ This property **is** subject to the Mountain & Hillside Development Ordinance and requires a minimum of _____ acres per dwelling unit or subdivided lot.

_____ This property **is not currently** subject to the Mountain & Hillside Development Ordinance. Any modification to this parcel, as submitted on this form, may change the average slope and require compliance with the Mountain & Hillside Development Ordinance.

This property is located in a Watershed and requires a minimum of 0.50 acre per dwelling unit/lot.
YES _____ NO _____

Planning Director or Designee

Date

**I understand that this is a preliminary determination for planning purposes only. It shall be the responsibility of the property owner to confirm this slope analysis prior to the recording of any plats for subdivision. This slope analysis shall be valid for 6 months from the date listed above for the property as currently configured (total area, property lines).*
